

50 Star Preparation Challenge!

How it works: Every day that you spend 30 minutes of time working on state assessment preparation materials, your Learning Coach may put a star on a blank calendar. If you work for 60 minutes in 1 day, give yourself 2 stars! If you have 50 stars when you come to state assessment, bring your calendars and you will get a prize. The challenge ends when you test. Happy State Assessment Preparation!

Sample activities:

1. Log-in to *Study Island* and practice Math, Language Arts and/or History skills or complete a quiz (Strive to achieve at least an 70% on each and every topic!)
2. Attend live *Blackboard* Sessions or review recorded Blackboard Sessions (Find them at www.msgorman.weebly.com or find them on previous Class Connect dates on your plan)
3. Practice and memorize math flashcards (Resource Packet) and/or reading terms (www.quizlet.com)
4. Visit the MS State Assessment Prep website: <http://lvsmiddleschoolassessmentprep.weebly.com/> .
5. Spend time reviewing and discussing missed problems from any of the above activities with your ES, content teacher, or with your Learning Coach and learn where you made your mistakes

NOTE: The following pages outline specific on-line quizzes and tests that are available.

Study Island Math Quizzes

6th Grade

Check math class connect recordings for support

Mathematics Standards: Place a ✓ and record your score next to each completed quiz.

Concept	Score	Notes	Concept	Score	Notes
